Information in the table is drawn from *Debrett's Peerage and Baronetage 2019*, its on-line updates and other sources, including helpful comments on previous versions, but any errors and omissions are my own.

Inclusion in the table does not of itself imply any recognition by the Standing Council of the Baronetage.

NOTE: the hard copy edition of the *Official Roll of the Baronetage 2023* gives the number of Baronetcies as 1,235 at 1 January 2023. The table above lists 1,180 Baronets at 1 July 2026 (plus Mackenzie 1890, where the succession is at issue). These two figures are reconciled as follows:
